Federal and state regulations require the Office of Financial Aid and Scholarships to monitor the academic progress towards earning a degree for students receiving financial aid and certain state exemptions/waivers. For this reason, your satisfactory academic progress (SAP) for financial aid is evaluated to verify that you have met all SAP standards. If you fail to meet the SAP standards shown below, you must complete this appeal form and provide supporting documentation in order to be reconsidered for financial aid or exemptions/waiver eligibility. Please be aware, this appeal is for financial aid assistance only and has no bearing on your academic standing. This form can be submitted by mail, in-person at the One Stop Enrollment Center, or via the Document Uploader.

STEP 6: Student Certification: Read the terms below and sign and date this form.

I understand that appeal decisions are made on a case-by-case basis.

I understand the submission of this form does not constitute an approval of my appeal and I must make payment arrangements by the tuition deadline should financial aid not be awarded and disbursed by that date.

I understand if my appeal is:

- **Approved**, I will be granted aid on a semester by semester status. I will be placed on an academic plan with requirements that must all be met at the end of each semester. I will be sent an email to fill out a SAP Academic Plan Agreement which will allow me to continue receiving aid for future semesters as long as all conditions of the academic plan are met. The Academic Plan may range from a minimum of 1 to a maximum of 4 terms.

- **Denied**, I will not receive financial aid and will make alternative payment arrangements. I cannot appeal this denial for this year. I understand that in order to regain my financial aid eligibility I must meet the Standard SAP requirements.

I understand that it is the student's responsibility to make alternative arrangements with Fiscal Services to ensure courses will not be dropped for non-payment as financial aid is not guaranteed.

I hereby certify that all information contained in this appeal, including the personal statement and documentation, is true and complete to the best of my knowledge.

I hereby certify that I have read the information listed above and that I understand there is no guarantee the SAP appeal will be approved.
