

DegreeWorks Responsive Dashboard

UNDERSTANDING YOUR DASHBOARD

OFFICE OF THE REGISTRAR
THE UNIVERSITY OF TEXAS AT SAN ANTONIO

06/15/2022

Introduction

For many years, DegreeWorks at UTSA has used the original, classic dashboard to display information about academic progress to students. On June 15, 2022, UTSA upgraded Degree Works to a new dashboard, called the responsive dashboard, which is more modern, cleaner, and designed to display well on tablets and phones. The original, classic dashboard has been discontinued.

Student Header

In the Student Header block, important information is displayed from different fields such as the student's name, ID, classification, academic program information (degree type, college, major, minor and concentration, if applicable), holds (if applicable), assigned academic advisor, etc.

In the new dashboard, only certain fields with available information will display in the Student Header block. (Ex. if the student does not have a minor, a concentration, or a hold on their account, etc. then the field header won't show.)

Responsive

The screenshot shows a responsive Student Header block with the following information:

- Student ID: @00010656
- Name: Davox, Test
- Degree: Bachelor of Arts
- Advanced search link
- Level: Undergraduate
- Classification: Junior
- Major: English
- Program: BA-English
- College: Liberal and Fine Arts
- Student Catalog: Summer 2020
- Academic Standing: Academic Good Standing
- Advisor: Rowdy Roads|ROWDY.ROADS@UTSA.EDU

Degree Progress

Previously, the Degree Progress located below the Student Header block was displayed as a bar.

In the new dashboard, the Degree Progress that shows the percentage complete of the student's requirements and credits is displayed as dials. The student's GPA is also located here, which still only includes grades earned in UTSA courses, not transfer courses.

Responsive

The Requirements progress will not always equal the Credits progress. Progress will not equal 100% until all courses are complete and grades have been processed in the system. A graduating senior who has completed all credits and course requirements and is preparing for graduation will reach 98% until the grades are submitted at the end of the term.

Degree Requirements

The Degree Audit Blocks located below the Degree Progress section, list the requirements needed to complete a degree.

Previously, requirements were color coded based on the status of the requirement and had check boxes.

In the new dashboard, requirements are not color coded, but they are displayed in a check box format that state whether the requirement has been fulfilled or not. Each block header also displays an **Incomplete**, **In-Progress**, **Complete**, or **See Advisor** label based on the status of the requirements.

The audit is still divided by blocks, but now users can collapse and expand sections for quick navigation and use the arrows within each block to collapse and expand a single block.

**** ATTENTION:** Students who see the See Advisor label displaying next to any block header, should discuss this with their assigned academic advisor.

Degree in Bachelor of Arts INCOMPLETE

Credits required: 120

Additional hours may be required to satisfy all your Degree and Major requirements.

- Your degree requires a MINIMUM of 120 hours. **Still needed:** Your degree requires a MINIMUM of 120 hours. You currently have 87 hours completed or in progress. A MINIMUM 33 more hours, which include 'Still Needed' courses and/or electives, are needed to reach the 120 or more hours that are required for your degree. Any credits not fulfilling specific requirements, will be added to the 'Additional Courses' section.
- A minimum of 30 hours must be taken at UTSA.
- 24 hours of the last 30 hours must be taken at UTSA.
- A minimum of 39 upper-division hours are required. **Still needed:** A minimum of 39 hours of upper-division coursework is required. You have taken 15 but need 24 more hours.
- A minimum of 18 upper-division hours must be taken at UTSA. **Still needed:** A minimum of 18 hours of upper-division coursework must be taken at UTSA. You have taken 15 but need 3 more hours.
- You meet the minimum overall 2.0 GPA requirement.. *****Please Disregard Warning***** If you are receiving a warning for a 0.00 GPA and have not completed UTSA coursework. *****Please Disregard Warning*****
- Core Curriculum Requirements

Degree in Bachelor of Science SEE ADVISOR

Credits required: 126

Core Curriculum Requirements COMPLETE

Major in English, BA INCOMPLETE

Credits required: 39 Credits applied: 27 GPA: 4.00

English Upper-Level American Literature IN-PROGRESS ^

Students must complete one upper-division American Literature course as part of their degree program.

	Course	Title	Grade	Credits	Term	Repeated
<input type="checkbox"/>	English upper-level American Lit	ENG 3713	Top:Multiethnic Literature/US	IP	(3)	Summer 2022

The Core Curriculum, Major, Minor and Concentration (if applicable), Electives (if applicable), In-progress and/or Preregistered, etc. blocks are all listed in the same order as before.

Other blocks may display depending on the degree that the student is pursuing. Examples of these blocks are the English Upper-Level American Literature block for the Bachelor of Arts - English degree and the Common Body of Knowledge block for the Bachelor of Business Administration degree.

Responsive

English Upper-Level American Literature IN-PROGRESS

Students must complete one upper-division American Literature course as part of their degree program.

	Course	Title	Grade	Credits	Term	Repeated
	English upper-level American Lit	ENG 3713	Top:Multiethnic Literature/US	IP	(3)	Summer 2022

Common Body of Knowledge INCOMPLETE

Unmet conditions for this set of requirements: 51 hours are required. You currently have 42, you still need 9 more hours.

	Course	Title	Grade	Credits	Term	Repeated
	Principles of Accounting I	ACC 2013	Principles of Accounting I	B	3	Spring 2022
	Principles of Accounting II	ACC 2033	Principles of Accounting II	IP	(3)	Fall 2022
	Business and Professional Speech	COM 1053	Business & Professional Speech	C	3	Fall 2021
	Introductory Macroeconomics	ECO 2013	Introductory Macroeconomics(Q)	C	3	Spring 2021
	Introductory Microeconomics	ECO 2023	Introductory Microeconomics	B	3	Fall 2020
	Principles of Business Finance	Still needed:	3 Credits in	FIN 3013		

In the new dashboard, a Repeated column that indicates a notation of (R) next to a course if the course has been repeated and a clipboard icon next to a course if the course has a prerequisite are now included as well.

Responsive

Core Curriculum Requirements COMPLETE

Double-dipping occurs when a course that is required in the major is also listed and used as a core requirement. While this is a recommended practice, students who double dip may have to take additional hours, typically free electives, to satisfy the minimum hour requirement to earn an undergraduate degree.

	Course	Title	Grade	Credits	Term	Repeated
	Communications - Freshman Composition I	WRC 1013	Freshman Comp I	TB	3	Spring 2019
	Satisfied by: ENGL1301 - Composition I - San Antonio College					
	Communications - Freshman Composition II	WRC 1023	Freshman Composition II	TC	3	Spring 2019
	Satisfied by: ENGL1302 - Composition II - Northwest Vista College					
	Mathematics	MAT 1043	Introduction to Mathematics	C	3	Fall 2019
	Life and Physical Sciences	ES 1123	Environmental Zoology	D	3	Fall 2020
		GEO 1013	The Third Planet(Q)	A	3	Fall 2019 (R)

Digital Systems Design **Still needed:** 1 Class in EE 3543

Electives and Extra Courses

An elective is any semester credit hours accepted by UTSA in transfer or awarded by UTSA that, for degree purposes, are not applied to Core Curriculum, major, minor, or support work requirements.

In the new dashboard, electives will display in one of two blocks:

- electives that are counting towards degree requirements
- extra courses, which are electives that are not counting towards degree requirements

Responsive

Electives - Credits applied to graduation requirements ▼

Credits applied: 78 Classes applied: 26

Extra Courses - Credits not applied to graduation requirements ▼

Credits applied: 13 Classes applied: 4

**** ATTENTION:** Students who see any in-progress course that is displaying in the Extra Courses block that does not count towards the degree, should discuss this with their assigned academic advisor.

Not Counted Courses

Not counted courses are coursework that is not counted toward graduation requirements. This includes developmental courses as well as attempts that exceed a limit, and duplicate courses. Courses fall into this category because they do not meet a rule somewhere in the degree plan. It can be a minimum grade rule, or a maximum number of hours allowed (such as the 66-hour limit on community college courses.)

In the new dashboard, any course considered not counted will display in the Not Counted block.

Responsive

Not Counted ▲						
Credits applied: 7 Classes applied: 11						
Course	Title	Reason	Grade	Credits	Term	Repeated
CHE 1103	Intro Chemistry	Course with a grade less than .67 not allowed	TF	0	Fall 2020	
Satisfied by: CHEM1411 - General Chemistry I - San Antonio College						

Legend

In the new dashboard, the checkbox icons are now circles but the colors are similar. Requirements completed will show in green, requirements not complete will show in red, and requirements with classes in-progress will show in blue.

Courses with a T in the grade (such as TA, TB, etc.) still mean they are transfer courses.

Responsive

Legend	
 Complete	 Not complete
 Complete (with classes in-progress)	 One or more unmet conditions - See Advisor
 Prerequisite	 Any course number
 Repeated class	

What-If and Look Ahead

Previously, the What-if function that applies the students' courses to a different major, minor, concentration, etc. and the Look Ahead function that allows for potential courses to be reviewed against the degree plan to see where the course(s) would fall into a student's plan, were separate.

In the new dashboard, the Look Ahead function is now labeled Future Classes and is combined with the What-if function to improve efficiency in the user interface.

The user must still select the catalog year, degree type and major (some majors also require a concentration and/or a minor) but now the user has the option to include or not include In-progress and Preregistered classes.

The Additional areas of study feature also gives the option to add another major, minor, etc. when using the What-if function.

Plans

In the new dashboard, the Planner function that allows students and their advisors to map courses towards degree completion and provides students with a personalized, best-recommended sequence of courses each semester to graduation, is still located under the Plans tab.

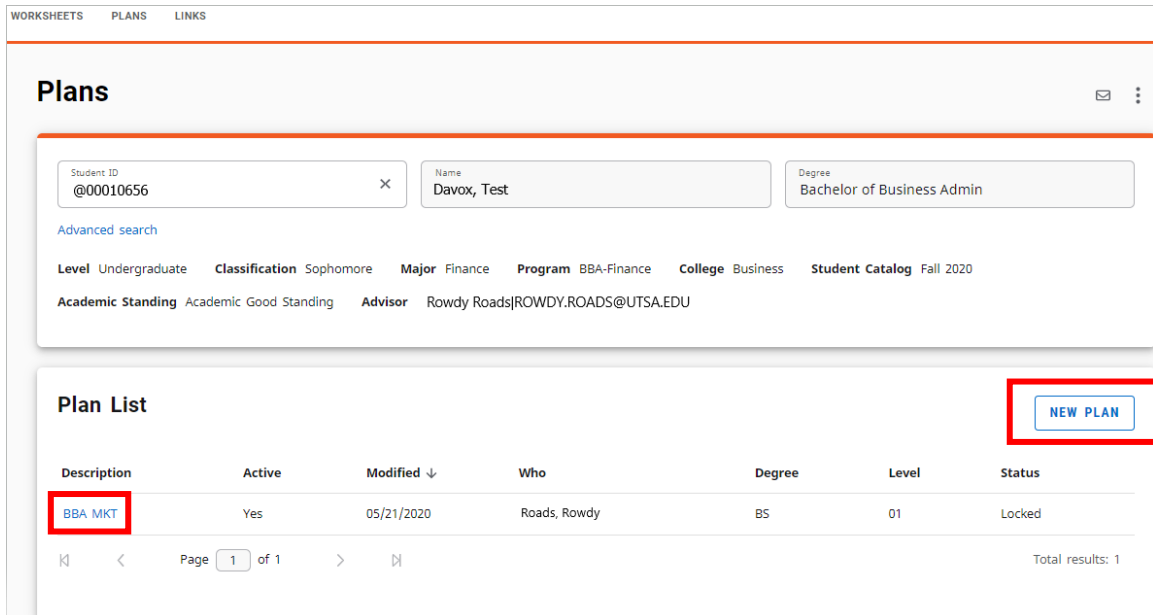

Any plan that has been created will display in the Plan List; if none have been created then this area will be blank.

Responsive

Selecting a plan from the description column allows users to view/edit the details of that plan. Selecting 'New plan' allows users to create a blank plan or select from a template if no plans exist yet or an additional plan is being added.

Responsive

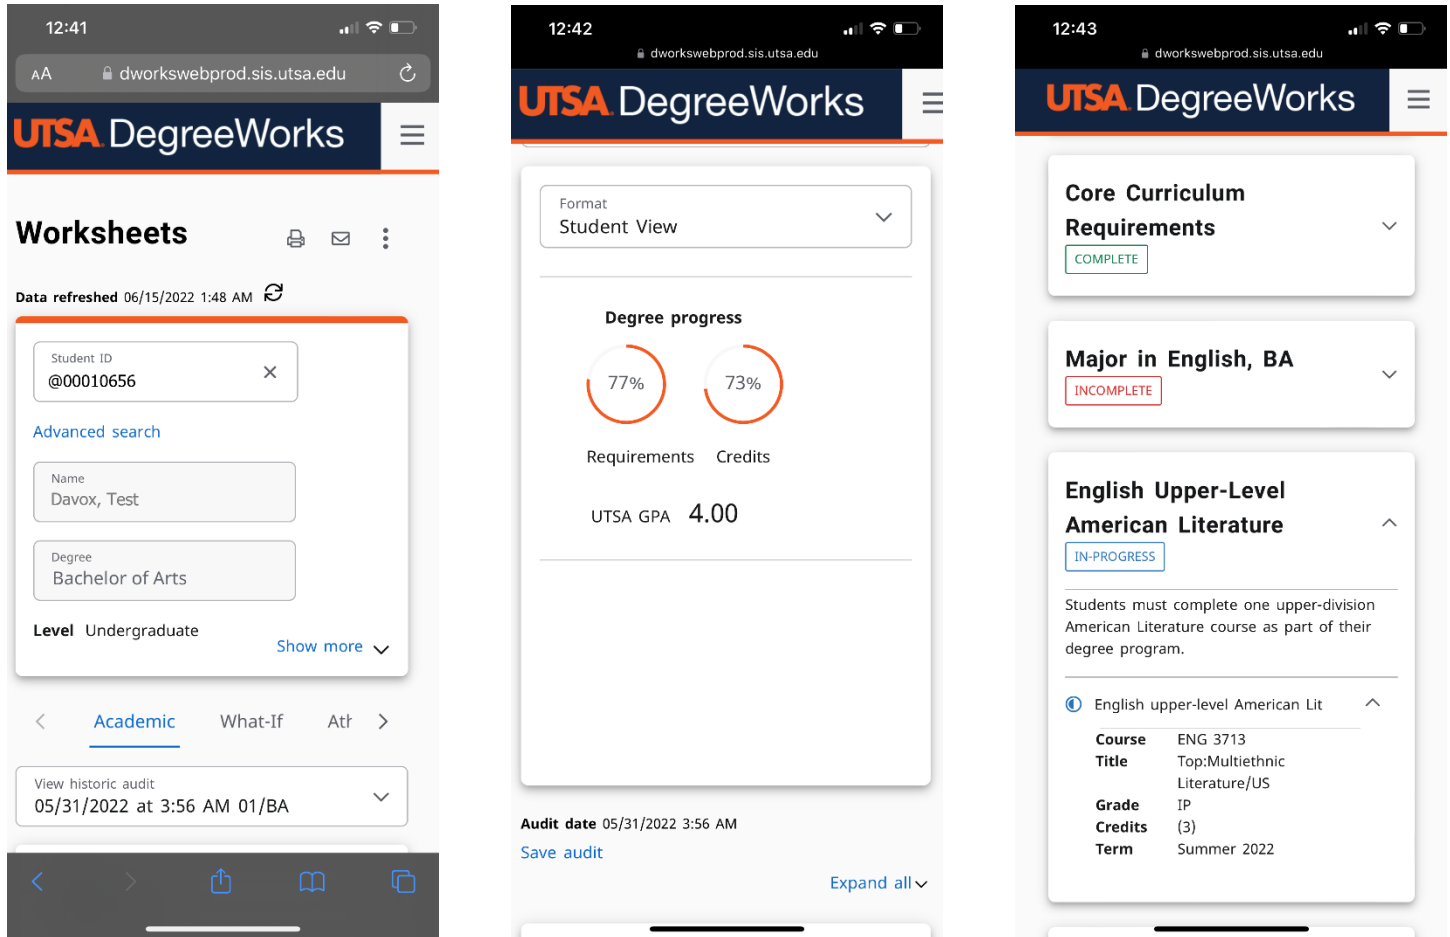

For more information on creating new or viewing existing plans, please click [here](#) or visit UTSA.edu/DegreeWorks for a tutorial.

Mobile Friendly Dashboard

In the new dashboard, a major benefit is that it adapts to screen size making the information easily visible from a mobile device or tablet.

Responsive

Questions?

To access DegreeWorks or for more information regarding the new dashboard, please click the [here](#) or visit UTSA.edu/DegreeWorks.

For questions regarding students' degree requirements, coursework, etc., please see assigned academic advisor.
