

2020-2021 New Request for Independent Status

Directions: In order to justify a dependency override, a history of family estrangement from **both** parents and/or dysfunction regarding **both** parents must exist. This form can be used to request a review of extenuating circumstances regarding your dependent status. Examples of estrangement or dysfunction include, but are not limited to abuse, abandonment, drug abuse, and parent incarceration. These extenuating circumstances must be documented by an objective third party (i.e. high school or college counselor, social services agency official, pastor or clergy, mental health professional, law enforcement officer, teacher, etc.) to qualify. **The following examples will not make you independent:**

- *Parents refuse to financially contribute to the student's education*
- *Parents refuse to fill out information necessary to complete the FAFSA*
- *Parents do not claim the student as a dependent for income tax purposes*
- *Student demonstrates total self-sufficiency*
