## **Texas Grant Statement of Selective Service Status**

**Directions:** A male student cannot receive a grant, scholarship, loan or other financial assistance funded by state revenue, unless a statement of the individual's Selective Service status is completed with the institution or other entity granting or guaranteeing the financial assistance. This requirement also includes federal funds or gifts and grants accepted by this state and any loans guaranteed by the state of Texas (See TEC, 51.9095).

Typically, a student's selective service status is confirmed through the online FAFSA process which validates registration directly with the Selective Service Administration. If a student's selective service status is confirmed on the Institutional Student Information Record (ISIR), no statement needs to be collected by the institution.

**How to Submit Form:** Submit completed form to One Stop Enrollment Center for processing. Please fill out and print. **Documentation submitted by fax or email will not be accepted.** Upload through the **Document Uploader**, mail to University of Texas at San Antonio, **One Stop Enrollment Center**, One UTSA Circle, San Antonio TX 78249 or drop off in person at the UTSA One Stop office.

The statement below must be collected for all male applicants, each academic year, in the following situations:

Received By:

- A FAFSA that that is flagged "not registered" must be reviewed by the institution to determine if the student is exempt and may be eligible for federal or state financial aid programs. If the student is exempt, additional documentation should be collected by the institution to verify the circumstances. The institution can determine what additional documentation to collect for this verification.
- For a student that does not complete a FAFSA, the required statement and back-up documentation must be collected by the institution to verify the current selective service status if the individual is applying for any state financial aid.
