

Fall 2022 Satisfactory Academic Progress Appeal

Directions: This form is used for Grants, Loans, Work Study, and Exemptions/Waivers. Federal and state regulations require the Office of Financial Aid and Scholarships to monitor the academic progress towards earning a degree for students receiving financial aid and certain state exemptions/waivers. For this reason, your satisfactory academic progress (SAP) for financial aid is evaluated to verify that you have met all SAP standards. If you fail to meet the SAP standards shown below, you must complete this appeal form and provide supporting documentation in order to be reconsidered for financial aid or exemptions/waiver eligibility. Please be aware, this appeal is for financial aid assistance only and has no bearing on your academic standing.
