

2025-2026 Student Cost of Attendance Adjustment

Directions: The Cost of Attendance (COA) for school and personal expenses is determined annually by FAS and is based on the average cost a student will incur each semester. Select from one of the categories below if you have expenses that we may not have included or are of an extraordinary nature.

Note: Grant money is not set aside for these requests and most COA adjustments only result in increased loan eligibility. Submission of this form does not guarantee approval of your request.
